PROFESSIONAL EXPERIENCE

BEZOS ACADEMY | Learning Program Lead / Lead Montessori Guide | Houston, TX | 08/2022–07/2026

Led early-childhood education operations, educator enablement, family communications, and site-level technology adoption.

- Led Brightwheel feature adoption for 6 staff and 50+ families, streamlining teacher documentation and school–family communications to improve workflow consistency, information accuracy, and family convenience.
- Configured access, data fields, templates, and forms for an internal education reporting and instructional planning platform, then trained educators to reduce duplicate documentation and improve reporting consistency.
- Translated educator needs into developer requirements for an internal AI-assisted reporting tool, corrected generated outputs, and contributed implemented workflow improvements that made parent-facing reports more useful and reduced repetitive teacher work.
- Analyzed readiness assessments to identify gaps in family understanding, then created parent education and take-home resources that improved reported parent understanding and supported data-informed instructional interventions.
- Standardized classroom schedules, communication practices, and operating procedures in a site playbook adopted across classrooms, giving staff a shared reference for consistent daily execution and transitions.

BROTHERS IN LAWN LLC | Founder & Operations Lead | Houston, TX | 05/2020–01/2024

Owned customer acquisition, recurring service relationships, fulfillment coordination, CRM administration, and service operations.

- Developed and refined recurring landscaping service offerings using customer feedback and tailored recommendations, supporting 800+ unique customers and more than 250 recurring customers at peak; annual business revenue grew 200%.
- Owned customer estimates, agreements, scheduling, and service recovery from inquiry through fulfillment, resolving complaints directly to preserve repeat business and maintain a single accountable customer contact.
- Integrated GoDaddy, Thumbtack, Meta, and Square customer intake and booking workflows, reducing a one-to-two-day process to a single session and improving booking responsiveness and convenience.
- Maintained a 591-record customer database and reviewed automated financial reports, improving record consistency and oversight of at least 1,241 transactions and $159K in net sales (2021–2022).

CONCORD COLLEGE OF SINO-CANADA | English Department Chair / Technology Trainer | Fuzhou, China | 08/2018–07/2020

- Trained approximately 15 faculty members on Schoology and created screen-recorded walkthroughs, giving educators reusable guidance to independently navigate virtual instruction workflows.
- Coached 19 educators on instructional practices and technology-enabled delivery, helping faculty adapt instruction and maintain learning continuity during remote transitions.

THE FAY SCHOOL | Lead Kindergarten Teacher / Learning Program Lead | Houston, TX | 07/2020–07/2022

- Coordinated virtual and hybrid classroom practices during pandemic transitions, sustaining instructional delivery and family communication despite changing operating requirements.

ST. PAUL'S PRESCHOOL | Preschool Team Lead / Program Coordinator | Houston, TX | 10/2012–07/2018

- Coordinated NAEYC accreditation evidence, standards alignment, and staff practice improvements, strengthening operational consistency and contributing to successful accreditation.

COMMUNITY FINANCIAL LEADERSHIP

LANTRIP ELEMENTARY PTO | Treasurer (Volunteer) | 08/2022–06/2024

- Established financial controls, reconciled transactions, tightened budgets, and led post-fundraiser feedback reviews, improving spending oversight and use of approximately $100K raised while supporting year-over-year fundraising improvement.
