SARAH HAMILTON

Houston, TX | 832-419-6880 | sprich08@gmail.com | sarahhamilton.work | LinkedIn

PROFESSIONAL SUMMARY

PMP-certified implementation and operations professional with experience coordinating platform adoption, training users, improving workflows, and managing customer delivery. Combines education-sector systems implementation with direct service-business operations, cross-functional collaboration, and measurable process improvement.

CORE SKILLS

- Implementation & Adoption: platform configuration, launch coordination, stakeholder training, user support and workflow refinement
- Project & Business Operations: scheduling, resource and vendor coordination, contracts, estimates, risk resolution and process documentation
- Customer & Stakeholder Operations: requirements discovery, customer onboarding, service recovery, cross-functional communication and reporting
- Data & Quality: operational dashboards, data validation, progress monitoring, process improvement and accreditation readiness

EDUCATION

B.A., History & Political Science, Minor in Education, North Central College (2010)

CERTIFICATION AND TECHNOLOGY

Project Management Professional Certification (PMP), PMI (2026)

Google Project Management Certificate (2025)

American Board for Certification of Teacher Excellence, Elementary Education (EC–6) (2018)

MACTE Montessori Early Childhood (2023)

Technology: Microsoft 365, SharePoint, Excel, Power BI, Google Workspace, Asana, Jira, Schoology, Brightwheel, Square, Salesforce, SQL

Languages: English (native), Spanish (advanced)

KEY PROJECTS & ACHIEVEMENTS

- Customer Intake Automation: Connected GoDaddy, Thumbtack, Meta and Square Appointments workflows for a service business, reducing a manual one-to-two-day intake process to a single session.
- Education Platform Adoption: Coordinated founding-site Brightwheel adoption for six staff and more than 50 families, supporting more consistent documentation and family communication.
- Internal AI-Assisted Reporting Platform: Served as educator subject-matter expert across approximately 12 iterations, translating needs into configuration and workflow feedback and reviewing outputs to improve reporting usefulness.
- Financial Controls & Fundraising: Established PTO reconciliation, expenditure tracking and board reporting practices; helped support approximately $100K in fundraising over tenure.

WORK HISTORY

BEZOS ACADEMY | Lead Montessori Guide / Learning Program Lead | Houston, TX | 08/2022–07/2026

Led classroom program operations, staff coaching, family engagement and adoption of internal education systems.

- Created and maintained a classroom operating playbook covering curriculum, communications and continuity procedures, providing a repeatable reference later standardized across operating classrooms.
- Configured accounts, permissions, fields, templates and forms for an internal AI-assisted education reporting and instructional planning platform; trained staff and reviewed outputs to improve usability and documentation quality.

BROTHERS IN LAWN LLC | Founder & Operations Lead | Houston, TX | 05/2020–01/2024

Managed customer relationships, service delivery, vendors, scheduling, contracts and business systems.

- Managed service delivery for 800+ unique customers, including 250+ recurring customers at peak, coordinating estimates, contracts, staffing and service recovery to support repeat business.
- Built standardized scheduling, invoicing and customer communication processes while managing a 591-record CRM; business recorded at least 1,241 transactions and $159K in net sales during 2021–2022.

THE FAY SCHOOL | Lead Kindergarten Teacher / Learning Program Lead | Houston, TX | 07/2020–07/2022

- Helped educators transition between virtual and hybrid instruction, adapting delivery and support processes to maintain learning continuity.

CONCORD COLLEGE OF SINO-CANADA | English Department Chair & Educator / Technology Trainer | Fuzhou, China | 08/2018–07/2020

- Supported Schoology implementation by training approximately 15 faculty and creating screen-recorded walkthroughs, enabling continued virtual instruction and independent platform use.

ST. PAUL'S PRESCHOOL | Preschool Team Lead & Teacher / Program Coordinator | Houston, TX | 10/2012–07/2018

- Coordinated accreditation evidence, staff readiness and standards-aligned practices, contributing to successful NAEYC accreditation and more consistent operations.

TRULUCK'S STEAK & CRAB HOUSE | Client Experience & Training Specialist | Houston, TX | 03/2011–10/2014

- Trained new hires in service standards and coached client-facing teams, supporting consistent customer experiences and service recovery.

VOLUNTEER IMPACT

Hamilton Middle School Band Booster | President | 2026–Present

- Rebuilt board governance, membership infrastructure, fundraising schedules and recurring progress reporting, creating more consistent volunteer operations.

Lantrip Elementary PTO | Treasurer | 08/2022–06/2024

- Reconciled financial records, developed spending controls and introduced post-event feedback reviews to strengthen accountability and improve fundraising execution.
